

February 01 2010

Dear General Synod attendee:

The host Diocese's General Synod Banquet will be held at the Pier 21 facilities in Halifax (www.pier21.ca) on Tuesday evening June 08 2010: reception 5:30pm, meal sitting 7:00pm. Beside the great food, we have lined up some wonderful entertainment from well-known local artists.

Pier 21 was the arrival point for many immigrants to Canada, perhaps even for you, your family members or friends. We, the Local Arrangements Committee have arranged for a complimentary gift (no charge), to General Synod attendees, of some of the research services of Pier 21 Canada's Immigration Museum. If you wish to avail yourself of the complimentary research of the arrival of a family member or friend through Halifax's Pier 21 Immigration Centre, please fill out the attached form and forward it on to the Pier 21 research staff following the directions provided before May 15 2010. Once the form is submitted, a research associate will contact you directly. Beyond the complimentary services provided, additional research services are available at a cost.

We also have arranged for complimentary pass for each banquet attendee to the Pier 21 Canada's Immigration Museum from 5:30pm to 7:00pm immediately prior to the Banquet. The Museum is located directly across the entrance foyer from the Kenneth Rowe Banquet Hall and I would anticipate that you could easily spend a minimum of ½ hour or more just to breeze through the displays.

Sincerely, your fellow servant in Christ,

The Rev. Randy D. Townsend,

Chair, General Synod Local Arrangements Committee
